Subject: 3M™ Acrylic Foam Tapes – Adhesive Secondary Source of Supply

Dear Valued Customer,

In compliance with IATF 16949, 3M Automotive and Aerospace Solutions Division is notifying you of the addition of a secondary manufacturing location for the AR7 adhesive used in many 3M Acrylic Foam Tapes. We are adding this secondary location to improve supply resilience of this adhesive. The qualification of the second manufacturing location was completed in February 2023. 3M Acrylic Foam Tapes produced at 3M sites in the United States and Germany may contain material from the second manufacturing location starting in August 2023.

Tapes with the AR7 adhesive include:
